

Now Accepting Submissions for Volume X of The Graduate Review

Dear Graduate Students,

The Advisory Board for *The Graduate Review: A Journal of Graduate Research and Creative Scholarship* invites submissions from graduate students from all disciplines. The Graduate Review is an annual interdisciplinary journal published by Bridgewater State University, entering its tenth year. It is our mission and our pleasure to support graduate students research, scholarship, and creative work.

Submission guidelines and our submissions portal for all submissions can be found on Virtual Commons, at: http://vc.bridgew.edu/grad_rev/. *The Graduate Review* issues a call for submissions in fall and spring but operates on a rolling basis. To be considered for Volume X, graduate student authors must submit their work by December 20, 2024 or March 17, 2025 for a fall or spring review. Volume X will be released in early fall 2025 and all submissions must be uploaded via Virtual Commons.

Submissions can include scholarly research studies or experiments, creative writing, poetry, commentaries, book reviews, and artistic works. Please feel free to contact the Principal Editor with any questions.

Thank you for your support of *The Graduate Review: A Journal of Graduate Research and Creative Scholarship*

Sincerely,

Michele Wakin, Principal Editor, (mwakin@bridgew.edu)
